To: Social Enterprise Units and Related Organizations
From: Jessica Tam, Head of Social Enterprise Business Centre
Subject: Social Enterprise Seminar Series – What kind of Insurance policies applicable for service industry
Date: 4 September 2017

There are various type of insurance product available in the Hong Kong insurance market. But what kind of insurance policies are applicable for your newly start-up company?

Does your purchased insurance policies are good enough to cover your risks exposure? What kinds of consequence/ risk that you have to deal with if your company does not purchase sufficient insurance policies?

This seminar has invited the guest speaker from Jardine Lloyd Thompson Limited to summarize the needed insurance when operating a company in service industry. This sharing will also take service industry from elderly care and child care as an example to elaborate it. Please join the seminar if you want to know more. Details are as follows:

- Basis principal of Risk Management Concept
- What kind of risk facing when you operate a business in service industry
- What kind of compulsory insurance policies in Hong Kong?
- A general summary of required insurance policies when operating a Social Enterprise
- Example sharing – service industry in elderly care and child care
